1. The energy efficiency plan filed by Aquila, Inc., d/b/a Aquila Networks, on March 31, 2003, is docketed pursuant to 199 IAC 35.6(2), and an investigation is instituted to determine the reasonableness of Aquila's proposed energy efficiency plan. c. If Consumer Advocate and any intervenors find it necessary to file testimony in rebuttal to each other's direct testimony, they may file rebuttal testimony on or before July 21, 2003.

d. Aquila shall file its rebuttal testimony, with underlying workpapers and exhibits, on or before August 11, 2003.

e. The parties shall file a joint statement of the issues on or before August 15, 2003.

f. All parties, which choose to file a prehearing brief, may do so on or before August 19, 2003.

g. A hearing shall be held beginning at 9 a.m. on September 23, 2003, for the purpose of receiving testimony and the cross-examination of all testimony. The hearing shall be held in the Board's Hearing Room, 350 Maple Street, Des Moines, Iowa. The parties shall appear one-half hour prior to the time of the hearing for the purpose of marking exhibits. Persons with disabilities requiring assistive services or devices to observe or participate

should contact the Utilities Board at (515) 281-5256 in advance of the scheduled date to request that appropriate arrangements be made.

3. In the absence of objection, all underlying workpapers shall become a part of the evidentiary record of these proceedings at the time the related testimony and exhibits are entered into the record.

4. In the absence of objection, all data requests and responses referred to in oral testimony or on cross-examination, which have not been previously filed, shall become a part of the evidentiary record of these proceedings. The party making reference to the data request shall file an original and six copies of the data request and response with the Board at the earliest possible time.

5. In the absence of objection, when the Board has called for further evidence on any issue and the evidence is filed after the close of the hearing, the evidentiary record will be reopened and the evidence will become part of the record five days after the evidence is filed with the Board.
